Announcing a film which exposes the true power structure of our age...

INVISIBLE EMPIRE

A New World Order Defined

Jason Bermas exposes the secret agenda of the planet's ruthless Super-class.

This documentary film chronicles how men of power and influence have worked in stealth for centuries to establish an oppressive world government.

Learn how this global oligarchy controls the populace through drug trafficking, money laundering, staged terror attacks, media propaganda and debt.

This isn't conspiracy theory, it's conspiracy fact.
